At the Yacht Club Sant Feliu de Guíxols, the well-being of our members and visitors is a top priority. Both the office staff and the docmasters, as well as the Sailing School, are always ready to help. On the website, you'll find all the club information, including the rates.

Visitors can enjoy some of the most beautiful bays and coves in the region, such as S'Agaró, Sa Conca, La Fosca, Aigua-blava, Fornells, Sa Tuna, Sa Riera, and Llafranc, all located within very few miles.

The inland areas are equally rich, offering many activities to enjoy and interesting places to visit. Just some examples: you can play golf at one of the eleven golf courses of Costa Brava, all in less than one hour drive, go horseback riding or mountain biking in Les Gavarres, try skydiving, hiking, visit one of the several museums in the area or enjoy shopping at Platja d'Aro. About 30 minutes away by car, you'll find the charming medieval towns of Pals and Peratallada or the Iberian settlement of Ullastret.

Gastronomy is very well-known with many restaurants for all budgets, including several Michelin starred restaurants such as El Celler de Can Roca.

There's no doubt that it's a region worth visiting, and the Yacht Club Sant Feliu de Guíxols provides the perfect base to discover this fantastic holiday destination.
